

You are more than welcome to view our wedding cars by appointment. Contact us if you would like to view any of our wedding cars.

Uniformed Chauffeur

Our experienced uniformed chauffeur will be on hand to assist you and your attendants in and out of the vehicle and to greet you on your special day.

Day of Coordination

To ensure your complete satisfaction our wedding cars only attend one wedding per day, which enables us to collect the bride and her father, also the bride's mum and the bridesmaids if required (if a second wedding car is hired for the groom and his party, it

allows for the journey to the reception and the taking of the all important photographs to proceed at your pace).

Full Service Plan

We provide only the highest level of service to cover as many trips prior to your wedding ceremony and then to your onward reception venue.

All wedding car transportation will arrive 15 minutes prior to the stated time whenever possible.
